ABOUT GNI MULLANA

The heritage campus, GURU NANAK INSTITUTIONS, MULLANA stretched back to more than 15 years with an enduring dedication to pursuit of excellence. It offers unparalleled student experience across a broad spectrum of academic environment. GNI Mullana ensures a transformative experience-intellectually, socially and personally for students, which prepares them to be leaders of tomorrow.

GNI has collaborated with leading corporate of the world with a significant purpose to provide international exposure and excellent opportunities to the students for internship as well as placement abroad. Today the group boasts of 2 colleges in India with professional courses in the field of engineering, management, pharmacy & agriculture.

GNI prides in delivering an educational that offers knowledge, practical doing, skill enhancement and global exposure. Our unique, competitive and professional outlook helps GNIANS to build their careers and thus TRANSFORM their lives

ACCREDITATIONS & AFFILIATIONS

CHAIRMAN'S MESSAGE

When GNI was first conceptualized and established 14 years ago, we had a vision of creating an educational hub which would be unparalleled. Today, we are proud to say that GNI has excelled itself and has become undisputedly one of the premier Institutions in Engineering and Management with a motto of “Global Vision Global Careers”.

At GNI we strongly believe in grooming our students to make them prospective Global Leaders who are Unique, Adaptable, Flexible and Sensitive to cross-cultural context of Technology and Business. We focus on various dimensions of the student’s growth. Learning methods in our institution incorporate research based projects and hands on experience.

We believe in setting the bar high with our system of holistic learning. We are certain that you would see the good hands that your wards will be in at GNI; which will make your ward stand apart in the crowd.

Our institutions function on a strong foundation of world class infrastructure and has an amazing team of faculty members with a sheer dint of passion and commitment towards realizing the vision of institution.

Join a technology driven learning amidst distinct pedagogy and disciplined ambience with entrepreneurial avenues and I invite you for the same.

EMPLOYABILITY TRAININGS

NASSCOM research reveals that 60% of Indian graduates don't have the required employability skills. There lies a "gap" in the industry expectations & institutions' outcomes. To fill this gap GNI ensured "Employability Training" in parallel to its academic programs.

These training programs help GNIANS to qualify as "work ready" and thus making them a foremost choice for renowned corporate houses.

GNI in its initial days had contemplated over such need arising in future from corporate. It led us to bring certified Technical Corporate Trainers from corporate itself to impart various technical skills to students.

Various reputed brands like SAP, Nokia, Intel, CISCO, Oracle, IBM, EMC2, PEARSON, IKYA, Manpower, Mareki and Tata Technologies are GNI's training partners for varied training needs of its students.

TECHNICAL TRAININGS

To raise the technical skills of the students for qualifying technical exams conducted by companies for placements; special training is given based on latest technical modules.

Computer Science & Engineering

- Big DATA
- JAVA
- Cloud Computing
- .Net (desktop + web based application)
- PHP
- Oracle11g (DBA & Developer)
- C, C++, Android
- Drupal, Joomla, HTML 5.0, Word Press
- CSS3
- SVG
- Ruby
- IOT
- Data Sciences

Mechanical Engineering

- AutoCAD
- Catia
- Staad.Pro
- PRO-E(CREO)
- HVAC
- MATLAB
- Project Management
- ANSYS
- LaTeX
- CATIA
- KOMPAS-3D

Electronic & Comm. Engineering

- Embedded System 8051, ARM, AVR, PIC
- Robotics, VHDL
- System Verilog
- PROTEUS
- Wireless & Telecom
- Industrial Automation
- PLC & SCADA
- ORCAD
- IE3D
- Emulator
- Circuit Simulator

Civil Engineering

- Structural Design
- 3D Modeling
- Auto CAD
- Staad Pro
- SAP 2000
- Rhino
- Math Cad

CORPORATE TRAININGS

Under the training cell of GNI specialized corporate training in the form of Campus Recruitment Training (CRT) is given to students. GNI has In-House Corporate Training Vertical that caters to the CORPORATE EXPOSURE needs of the students' right from the first year.

Students get trained in the domains like:

- English Speaking • Interview Facing • Public Speaking • Group Discussions
- Debate Participation • Declamation Participation • Event Handling • Crisis Management
- Corporate Knowledge Up-gradation

EMPLOYABILITY TRAINING OUTCOMES

- It has enabled 100+ GNIANS to start their career as successful entrepreneurs.
- Various patents got registered in the names of GNI students.
- Many GNI students are serving as vendors for the Beta version products of companies.
- Summer internships of many students have resulted into many student-company run joint projects.
- Packages got in placements by students have set the benchmarks.

PROJECT INCUBATION CENTRE (PIC)

- Centre receives projects from corporate, students get chance to accomplish these projects, & academicians add innovations to the project.
- Incubation Centre of GNI has become a slogan in corporate world. It has drawn the attention of the companies to find professionals in students.
- Brands have started approaching in more numbers to find associations of varied kind. Many wants to deliver In-house trainings while others aligned for joint initiatives.
- It has led to the signing of varied MOUs for varied needs, projects have got patented & monetized offers have started falling in for summer trainings & then for final placements. Students have started finding profiles not just jobs.

TRAINING PARTNERS

GNI is the only institute accredited by prestigious technical institute IIT Delhi in the region. This academic accreditation works on:

- Joint Projects
- Industrial Assignments
- Testing of Industrial products

GNI brings in IIT Bombay as its academic partner to provide:

- Add on technical course as well as certifications.
- Policy framing for Academia-Industry interface
- On campus skill development training modules.

The program is a holistic, comprehensive one with customized offerings for Engineering, Management, Computer application, Pharmacy students and faculty members delivered by IBM professionals. IBM and GNI have collaborated to setup an IBM Software Lab for Emerging Technologies in the campus to help students and faculty members enhance their skills in areas of Big Data & Analytics, Cloud Computing, Business Analytics, Block Chain, Artificial Intelligence and information Security.

SAP is the world leader in enterprise applications in terms of software and software-related services. With the inclusion of SAP as its employability training partner GNI is able to train its students – with innovative suite of SAP technologies and certification programs. SAP training at GNI covers SAP S/4HANA, SAP HANA, SAP Success Factors, SAP Business Objects, and more.

TATA TECHNOLOGIES

Tata Technologies is a world leader in providing software & design solutions to manufacturing industries, Aerospace, Automotive industries, Digital Manufacturing & many others.

GNI in collaboration with TATA Tech. is able to nurture its Mechanical as well as Civil Engg students with the latest tool & technologies in the above said field.

NOKIA Connecting People

Nokia is a global leader in the technologies that connect people and things. GNI & NOKIA are brought together under one roof by the virtue of expert community program known as “HERE”. Under this the Civil Engg students of GNI will not only be trained in latest technologies in the field of mapping & navigation but will also get a chance to work on some of the live projects

Computer & System Hardware Giant gives routing projects of joining the various communication components, microprocessors, chipsets, motherboards & both wired & wireless connectivity instruments. Training & Evaluation of students on Primary Integrated Circuits & advanced Integrated Digital technology products, Note book Platforms is being done.

ManpowerGroup™

\$22 billion Company with 60 years of experience creates unique value through comprehensive innovative solutions covering an entire range of talent-driven needs for recruitment & assessment, training & development & career management to outsourcing & workforce consulting.

It is world's leading brand in educational solutions. It was brought to campus by GNI for the educational infrastructure assistance to have Smart DigiClass-an ICT based solution that combines state-of-the art hardware with syllabus compliant, multi-media based interactive content.

ORACLE®

Serves as Learning Provider Associate to turn students into Solution Architects in the domains like Database Development, System Administration & Java Development.

Provides empirical understanding of Initial Coding Program Learning of clients' projects.

Latest Networking & Cloud Computing Technologies to help students learn fundamentals of Networking for accomplishing the projects brought in by GNI's Project Incubation Centre (PIC). Interactive Networking Infrastructure coupled with Web & Instructor based content help in maneuvering the projects of repeat clients at Incubation Centre.

EMC²

Leading provider of IT storage & hardware solutions to promote Data Storage, Big Data, Content Management with platforms like Mainframe, VSPEX, Vblock, VMware.

COMPANIES WHERE GNIANS GOT PLACED

ENGINEERING@GNIT

Creating, inventing, innovating, and attacking challenges, solving problems, improving the quality of life— these are the driving forces for Engineers. The Engineer's ingenuity is a driving force in our society. From space stations to microsystems, the potential for innovative engineering is endless. If you're wondering what the future might look like, GNIT engineering programs can show you the way.

We at GNI aim at developing engineers for emerging technologies globally. With unique teaching methodology, excellent infra and large pool of globally acclaimed corporates tie-ups, we shape our students into professionals who are ready to fit in the particular industrial environment across the globe.

Within a decade, our Engineering programs have emerged as one of the best technical education program of the country which speaks volumes about our strong academic heritage, innovative teaching methodology and proactive industry collaborations. The Engineering programs at GNIT combine classroom and laboratory learning in technical areas with a broad liberal arts curriculum and industry assignments to give you an Education tuned to the 21st century wavelength. We are dedicated to giving you an exceptional Engineering experience with knowledgeable and engaged faculty and the latest equipment and technology

PROGRAM HIGHLIGHTS

Industry sponsored
Laboratories like CISCO
networking academy, HCL
K2 Academy.

On-Campus employability
trainings from corporates
like IBM, TCS, SAP, NOKIA,
TATA Tech, EMC² and
many others.

Global Internship and
placement opportunities in
USA, UK, Canada &
African Countries.

Hands On creativity

PHARMACY @ GNIT

Pharmacy is a versatile, dynamic, growing and increasingly diverse profession, one which creates an excitement because there are so many Career opportunities . It is an age old profession which has transformed India in to a hub for “Global Health Care” and evolved as a multi-disciplinary and multifaceted field in recent times. With the phenomenal rate of advances in the pharmaceutical industry, the health sector has thrown open a sea of opportunities pharmacy professional.

We at Pharmacy college of Guru Nanak Institute of Technology, are committed to produce quality graduates who can match the requirements of industry, hospitals, academia and regulatory bodies. Emphasis is laid on the overall development of a student through Industrial visits, Hospital Training and Industrial Training. Students are exposed to seminars/conferences addition to routine class room teaching. We provide a friendly and supportive learning environment where active discussion, investigation, critical and lateral thinking can flourish with the exchange of unique ideas. Although we are emerging, our enthusiasm knows no bounds, and our intent to provide excellent pharmacy education is indeed very sincere and strong.

BUSINESS MANAGEMENT@GNIM

Ideas of today shaping into business leaders of tomorrow are what young minds at GNIM work towards. With booming industrial needs of the globalized world, GURU NANAK INSTITUTE OF MANAGEMENT offers BBA and MBA courses designed to help students to learn how to achieve objective of business enterprise.

GNIM provides a strong foundation for its students to begin their career in the most rewarding sector. We deliver customized corporate and executive education that give relevant learning experience to budding managers.

Our academic strength drives original and provocative business thinking; empowering our people to challenge conventional wisdom in a truly unique academic environment.

GNIM rewards initiative, novelty and thinking outside the box. Our students are individualists of enormous intellectual energy with a talent for collaboration and teamwork.

Corporate recruiters value our graduates for their intellectual abilities, their collaborative mind-set, their individuality and their ability to hit the ground running.

COURSES OFFERED

Under Graduate Program

BBA

Bachelor of Business Administration

Post Graduate Program

MBA

Master of Business Administration

**Marketing, Finance, Human Resource
Information Technology, International Business**

PROGRAM HIGHLIGHTS

Advance On-Campus communication and managerial skill development programmes through renowned corporates like Manpower, Iky, SAP and many more.

International immersion program in countries like USA, UK, Canada, Dubai, Singapore & many other African Countries.

Academic alliances with leading management institutes around the globe for curriculum upgradation & culture exchange programmes.

Interactive learning module full of rigorous debates and regular interaction with corporate honchos.

Vibrant multi-cultural environment.

Rich corporate engagement in the form of industrial visits, expert lectures and live projects.

ELIGIBILITY CRITERIA & ADMISSION PROCEDURE

Course Name B.Tech

- All those candidates who have passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the following subjects : Chemistry / Bio-Technology / Biology / Computer Science from any recognized board/university within India.
- These candidates have to obtain a minimum of 50% marks (45% in case candidate belongs to reserved category) in the above mentioned subjects taken together.

Course Name B.Tech (LEET)

- All those candidates who have passed 3 year diploma examination in Engineering/Technology from an AICTE approved institution; with at least 45% marks (42.75% in case candidate belongs to reserved category) in appropriate branch of Engineering/ Technology
- OR**
- Candidates who have passed B.Sc. degree from a recognized university duly approved by UGC; with at least 45% marks (42.75% in case candidate belongs to reserved category) and passed XII examination with Mathematics as one of the subject.

Course Name M.Tech

- All those candidates who have passed 4 year B.Tech Degree Course in any relevant discipline of Engineering from a recognized university with minimum 55% marks (50% in case of SC/ST)
- OR**
- 3 Year MCA course with 55% marks or 2 Year M.Sc. course with 55% marks from any recognized university.

Course Name BBA

- All those candidates who have passed 10+2 examination (any stream) from a recognized board or an examination recognized equivalent thereto, with English as one of the subject shall be eligible for the course.

Course Name MBA

- All those candidates who have passed any recognized bachelor's degree of 3 year duration in any stream with minimum of 50% marks (45% in case candidate belongs to reserved category).

OR

- All those candidates who have passed final examination conducted by Institute of Chartered Accountant of India / Institute of Costs and Work Accountant of India / Institute of Company Secretaries of India.

Course Name B.PHARM.

- All those candidates who have passed 10+2 examination (PCM or PCB) with compulsory subject of English, Physics and Chemistry along with one of the subjects of Mathematics, Bio-Technology, Biology from a recognized board or and an examination recognized equivalent thereto.

Course Name D.PHARM.

- All those candidates who have passed 10+2 examination (PCM or PCB) with compulsory subject of English, Physics and Chemistry along with one of the subjects of Mathematics, Bio-Technology, Biology from a recognized board or and an examination recognized equivalent thereto.

Course Name BCA

- All those candidates who have passed 10+2 or equivalent with at least 50% marks with English as one of the subject.

Admission Procedure:-

75% of the total seats for the all above mentioned courses will be filled by **Online Centralized Counseling conducted by Haryana State Counseling Society, Panchkula** on the basis of merit score obtained by the candidate in the entrance examination viz. **JEE (For B.Tech), LEET (For B.Tech (LEET)) & MAT (For M.B.A)**. The remaining 25% plus the vacant seats from the online counseling will be filled by the institute itself on the basis of merit of the candidate in the above mentioned entrance exam or marks obtained by the candidate in the qualifying examination.

CAMPUS RESOURCES @ GNI

Lot of Thought Process of various experts has gone into achieving exemplary GNI Campus. The design and facilities of the campus are as such that once you enter the campus, you have entire universe to explore. Some of the main utilities for the students are:

The Campus

GNI Campus could be set as an example not only in homeland but also abroad for its capacity of students and facilities. It is planned as a contemporary education-culture arena providing comprehensive opportunities both for formal education and social – cultural-sportive activities. The GNI campus is a technology driven campus and is spread over 24 Acres of land. The campus is well surrounded by lush green & is far away from hustle and bustle of city.

Technology Enabled Smart Lecture Halls

21st century belongs to “Era of Web information” Internet plays a backbone for every aspect of life. Understanding the need and importance of Internet in the field of education, The Teaching-Learning pedagogy used in the classroom is IT enabled and most classrooms are fitted with LCD Projectors, OHPs, Smart Boards & Sound Systems.

All this facilities enable the teachers to teach in a unique and innovative manner which makes the student feel involved in the teaching-learning process and improves the pace and quality of learning.

Cutting Edge IT Services & Hi-Tech Laboratories

GNI recognizes the key role that IT plays in teaching as well as research. Therefore, GNI is committed to provide computing facilities of the highest standards. A high-speed optical fiber network of 4 Mbps with wireless redundancy allows all students to access a wide range of network services across our entire campus including all computer labs and student hostels.

Computing Facility is an integral part of B.Tech./M.Tech /MBA programs. Besides computer center it is also used for conduct of short term training programs for students aComputing Facility is an integral part of B.Tech. /M.Tech /MBA programs. Besides computer center it is also used for conduct of short-term training programs for students and faculty. Further computer center housed the Microsoft MSDN Academy with Licensed Microsoft Software made available to all the faculty and students. GNI believes in imparting strong practical exposure to its students. Modern Laboratories, Workshops and studios are an integral part of the various departments of the GNI. Each department maintains its specialized labs and workshops, equipped with modern equipment of industry standards.

Conference Halls & Open Air Theater

Considering that a variety of events like conferences, seminars, workshops, debates, plays and other programs are conducted throughout the year, the GNI campus houses couple of conference halls and numerous performing areas which facilitate the students to carry out their activities in the right environment, smoothly and with ease, The conference halls are centrally air-conditioned with a fully sound proof set up and are equipped with the latest technology for all types of audio video presentations.

In addition to Hi-Tech Conference Halls, The institute has an Open Air Theater where a vast variety of student activities are arranged like cultural events, exhibitions, quiz competitions, plays and fashion shows.

Central Library: The Knowledge Resource Centre

Libraries are the hub of academic life of the campus, Housed in spacious air conditioned hall, the libraries of GNI are well stocked with text books, technical journals. Periodicals and reference materials for advanced research and development work. The Institute also subscribes to the DELNET and other Internet Libraries. Modern aids to Education, Including Online Digital Libraries, Audio / Video Record of renowned academicians and significant published material have been made available in Campus Libraries.

The Central Library is attractively furnished and it can seat 200 students at a time in its spacious reading halls the serene atmosphere in the library with rows of neatly stacked books plays a major role in attracting the students to the library for serious study and supplementing their class notes.

By making accessible a rich collection of print and non-print, primary and secondary material in various disciplines, the libraries support the academic as well as research needs of thousands of students and hundreds of teachers of Guru Nanak Institutions. The Library maintains a separate "Book Bank" collection exclusively for

the meritorious students and for the students from the economically weaker sections of the society.

Accommodation

We understand that most of our students are moving away from home for the first time, so we strive to make the transition as smooth as possible by offering comfortable and sage hostels within the campus. GNI offers separate magnificent hostels within the campus. GNI offers separate magnificent hostels for boys and girls with hostel warden in each hostel to supervise day to day management. All the rooms have been designed to provide adequate moving space and ample air and light. Tuning students to the real aspect of life, and letting them enjoy the comforts of reading newspapers and books, providing them nutritious food, sage drinking water round the clock water supply including water heating systems, etc. gives them a feeling of being at home. All the above amenities when provided to your ward to give him/her the special nourishment to concentrate in his career growth.

Eateries

Guru Nanak institutions provides student with all the amenities and facilities to enjoy the fast paced metro lifestyle right within the campus. The eating joints offer excellent multi-cuisine menus ranging from Indian to Continental and Chinese in a comfortable and vibrant ambience. The canteen is with modern furniture and electrical automatic cooking and storing facilities, which provides hot lunch, snacks and beverages both to the students and staff. It is well maintained with efficient service and a take away counter. When the grinds of the studies reach its height, students seek refreshment in the dazzling cafeteria, offering a wide range of fast food varieties at nominal prices.

Gymnasium

A well-equipped Air-conditioned gym in the Campus sports Complex having latest instruments and machines has ensured better fitness and health facilities for the students, faculty and staff members of Guru Nanak Institutions. Instructors and trainers are available throughout the day to train the gym enthusiasts.

Transportation

GNI provides convenient transport facility with sufficient pick up and drop points that are suitable to the students and staff. GNI has its own dedicated fleet of more than 30 busses to and fro the camps to facilitate its students and staff commuting from different cities like Ambala, Yamunanagar, Jagahdari, Kurukshetra, Barara, Naraingarh, Shahbad & many more nearby Towns & Villages.

GUEST LECTURES AND INDUSTRIAL VISITS

GNI has welcomed many distinguished professionals from corporate to share their valuable experience with its students. These professionals are the ones who have given many years of their lives to various technological and managerial domains.

They as speakers offer us many guest lectures on various technologies and approaches they execute. Many workshops conducted on the similar lines help students experience themselves varied technical aspects. Students always appreciate such qualified learning.

A Guest Lecture on Technology needs by Mr. Lalit Chadha

A Technical Session on DBMS by Akhilesh Mishra (TCS)

Industrial Visit to Kandhari Beverages.

A guest lecture by Nikhil Marilwala from UIET on Microprocessors

A Guest Lecture Career Prospects In Armed Forces

Industrial Visit to Hathni-Kund Dam

A Webinar on Resume Writing by Tulika Jha(Walmart)

A Special Lecture by Times of India

Industrial Visit to NDRI, Karnal

A Guest Lecture on Entrepreneurship by TEC Pvt. Ltd.

Induction Program & Lecture by Russian Delegates

Industrial Visit to Kaushalya Dam

& many more.....
